# *Foreword*

Greetings of love in the exalted name of God. We are very happy to give you this book. May God help your children to memorize the scriptures which are the words of God in every way possible in your endeavor and fulfillment of your higher purpose.

The blessings that come from keeping God's Word in our heart are many. We are even more blessed when we meditate on those words day and night. This is the best way to know the will of God. This living Word will warn and protect us from the destructive evils of the enemy and the deception of the devil.

## **How to use:**

It is very important to teach/highlight the meaning of each verse. You can use this book in any of the following ways:

- Sunday Class
- VBS - Vacation Bible School
- One verse per day at your home

- One verse per week at your home
- Monthly 1 or 2 or 3 verses at your home
- At your church youth meetings
- Annual Bible Exam
- Bible Quiz
- etc

I have given only a few examples here. Since our sole purpose is to memorize the verse, use the type that is best for you and your children.

The "Date" is given to indicate the day your children memorized and the "signature" is used by the checker / monitor

Before memorizing the scriptures, continue to pray, "I want to receive all spiritual and earthly blessings from these verses." God will surely give you the blessings that are available through His Word. Amen.
